## SyMplify Technologies Announces New Contract with Tennessee Watercraft, Inc.

NASHVILLE, Tenn.--(BUSINESS WIRE)--SyMplify Technologies, Sy.Med Development Inc.'s non-healthcare related division, announced today that it has signed a contract with Tennessee Watercraft, Inc. (TWI) based in Vonore, TN, to provide **OneApp<sup>HR</sup>** a Human Resource Management System (HRMS) designed to strengthen human resource's contribution to the overall success of the business.

TWI is a sub-division of parent companies, Yamaha Motor Corporation USA and Yamaha Motor Company, Ltd. TWI specializes in Yamaha brand boat building, sales and repairs. The company has more than 315 employees serving Vonore and surrounding Monroe County.

Prior to implementing **OneApp<sup>HR</sup>**, TWI's three person HR department relied heavily upon manual processes with the exception of an automated payroll and time clock. "SyMplify's **OneApp<sup>HR</sup>** saves our human resource department on average 10 percent of time, translating into nearly 20 hours per person monthly," said Laneen Evans, Human Resource Generalist, Senior Recruiter of TWI. "We were able to utilize the software immediately and its customizable functionality has improved our efficiency in record keeping, data entry, tracking and overall employee information input."

"We are pleased to partner with Tennessee Watercraft and be a part of their growing success under the Yamaha Corporation," said Jim Marks, Vice President of SyMplify Technologies. "**OneApp<sup>HR</sup>**'s extensive reporting and tracking capabilities will enable their HR department to move from an administrative role to a strategic partner as the company strives toward continued success."

Designed for companies who have to manage, secure and analyze growing volumes of employee data, **OneApp<sup>HR</sup>** is a complete software solution that combines a powerful HRMS with an innovative feature that automatically completes any type of HR form.
